RE: Civil actions : 05-536 ***
 06-151 ***
 06-152 ***

Aug. 5, 2007

Dear Judge Thyng:

On March 6, 2007, you granted my request "to dismiss each of the above actions" with "leave to re-file on or before September 7, 2007"... allow me to thank you for granting my request as well as opposing counsel to not argue against my request. — Judge Thyng, the Court is in receipt of my letter to you (stamped "Filed Mar-5 2007") in which I state "my refiling by that date will be contingent on my return to "general population" so I may have physical access to this prison's law library".... well, judge, I am, at this writing, still being held at SHU status with no — meaningful access to the courts by reason of administrative segregation, inter alia, and, inadequate access to legal research materials and assistance. I have quoted the latter from ALLAH V. SEIVERLING, 229 F.3d 220 (3rd Cir., 2000) a similar situation as of mine, therefore, I must request you and opposing counsel ~~counsel~~ for a 90 day continuance to refile the above civil actions in my expectation of being returned to the general population of DCC prison.
